TESTIMONIALS:

After nearly 30 years in business management, I think I've seen every possible management training seminar/ leadership bootcamp/change management experience on the planet. I've walked out of many of them in the first two hours when I realized they were tired retreads of something else. What a breath of fresh air it is to experience Whitney Bishop! She brings genuine energy and excitement to problems that may be as old as dirt. She gets attendees engaged and is candid about her assessments and willing to say what needs to be said. If you aren't looking for change or improvement – DO NOT CALL HER. If you are, you can't call her quickly enough.

I hired Whitney to create and deliver a workshop we called, "The Big Leap Event." Her energy, enthusiasm and engagement with the audience made this one of the best workshops we have ever produced at sparkspace. She has an amazing ability to make powerful concepts incredibly practical.

Whitney Bishop is all kinds of warm Southern smiles and friendly down-home charm, but make no mistake—She's incredibly passionate and serious about helping individuals and businesses effect positive forward change. Whether she's facilitating small-group interactive workshops or delivering keynotes to auditorium-sized audiences, one of Whitney's great strengths is to make direct contact with every face in the crowd so everyone feels just as welcome as if they were sharing a cup of coffee with her, all while instilling them with the personal power and inspiration to make lasting and positive change.
